Belo sur Mer

Located approximately 50 km south of Morondava this picturesque village is home the Vezo boat builders. Here craftsmen construct traditional 'boutry' the large gaff rigged cargo and passenger sailboats which ply the waters of the west coast of Madagascar. Vessels in all phases of completion are found under the coconut trees which dot the harbor.

Belo sur Mer offers a wide variety of activities for all interests and energy levels. (See Below) Along with being the gateway to Kirindy Mitea N.P. Belo is a friendly and relaxed village with beautiful white sandy beaches, excellent seafood and dramatic sunsets. Don't miss it!
